Privacy notice

The collection, use and disclosure of personal information through this application and Aon's services is governed by Aon's Privacy Policy http://www.aon.com/canada/about-aon/privacy.jsp.

Highlights

Aon collects, uses and discloses personal information:

- To determine eligibility and process applications for products and services and to provide information and services
- · To understand and assess ongoing needs of clients and potential clients and offer products and services to meet those needs
- For communication, service, marketing, billing and administration
- For claims administration and data analysis
- For fraud detection and prevention
- · For analytics purposes by aggregating or otherwise de-identifying personal information
- To develop proprietary tools and databases
- To provide consulting services to insurance companies
- · To comply with legal, audit, security and regulatory requirements
- To obtain and update credit information with appropriate third parties, such as credit reporting agencies, where transactions are made
 on credit
- Other purposes disclosed in our Privacy Policy or our terms of business or disclosed to you at the time of collection, use or disclosure

Each Applicant authorizes Aon to collect and/or disclose the Applicant's personal information from/to third parties such as insurance companies, other brokers, adjusters, agencies, motor vehicle/driver licensing authorities and others as may be required for the above purposes. If the Applicant is providing any additional insured personal information, the Applicant providing this information warrants having obtained the prior written consent from each additional insured for the collection, use and disclosure of their personal information as set out herein. Aon uses affiliates and/or third service providers. These affiliates and service providers may operate outside of Canada and, therefore, your personal information may be subject to the laws of other jurisdictions.

Declaration

The Applicant for this insurance declares that, to the best of his/her knowledge and belief, the statements set forth herein are true and correct and that all reasonable efforts have been made to obtain sufficient information to facilitate the proper and accurate completion of this Application form. The Applicant further agrees that if any significant change in the condition of this Application is discovered between the date of this Application form and the date insurance was purchased, which would render this Application form inaccurate or incomplete, notice of such change will be reported immediately in writing to Aon Reed Stenhouse Inc. who in turn will advise the Insurer of such changes. The Insurer may elect to withdraw or modify any outstanding authorization to bind coverage.

Although submission of this Application form does not bind the Applicant to purchase the insurance, the Applicant agrees that this form and the information furnished pursuant thereto shall be the basis of the contract should a policy be issued and this form will become part of the policy. It is also agreed that should a policy be issued, eligibility for this insurance program is contingent upon membership in good standing as a representative of Preventative Health Services Group and/or its subsidiary corporations.

I confirm that I understand that Preventative Health Services Group and/or its subsidiary corporations make no representation or warranty with respect to the terms and conditions of the insurance coverage applied for herein, that the insurance that may be provided pursuant to this Application is provided to me exclusively by Berkley Canada, and that the insurance is subject to the terms and conditions stated in the applicable insurance policy issued by Berkley Canada. I also understand that all decisions regarding coverage and any other matter provided in the insurance policy are made by Berkley Canada in accordance with the terms and conditions of the applicable insurance policy. I further confirm that I understand that the insurance policy that may be provided to me pursuant to this Application constitutes the entire agreement respecting the insurance applied for herein and there are no conditions, covenants, representations, warranties or other provisions, whether express or implied, collateral, statutory or otherwise, relating to the subject matter of the insurance policy or coverage except as written in the aforementioned insurance policy.
